

# Pratik Anil Pawar

## Information Security & Cybersecurity Fresher

[LinkedIn](#) [Portfolio](#)

## SUMMARY

Cybersecurity fresher (B.Sc. Electronics, CGPA 9.47) with CompTIA Security+ and Google Cybersecurity certifications. Hands-on experience in SIEM alert triage, phishing analysis, and incident response through LetsDefend and TryHackMe. Developed an n8n-based phishing analyzer automating IOC enrichment and threat classification, cutting manual triage effort ~50%. Working knowledge of cloud security fundamentals (AWS/Azure) and scripting (Python, Bash, PowerShell). Seeking InfoSec Engineer role to contribute to enterprise security operations, threat detection, and compliance in dynamic security environments.

## TECHNICAL SKILLS

<b>SOC</b>	<b>SIEM</b>	<b>Incident Response Fundamentals</b>	<b>Digital Forensics</b>	<b>Cyber Forensics</b>	<b>Kali Linux</b>	<b>Bash</b>	<b>Python</b>
<b>PowerShell</b>	<b>ISO 27001 Fundamentals</b>	<b>AWS</b>	<b>Azure</b>	<b>Cloud Security Fundamentals</b>			

## EDUCATION

Bachelor of Science in Electronics - CGPA: 9.47/10

## ONGOING CERTIFICATIONS

**TryHackMe SAL1 (Security Analyst Level 1)**

**TryHackMe PT1 (Junior Penetration Tester)**

## PROJECT

### n8n-based Phishing Email Analyzer

An automated workflow project for phishing email analysis

- Engineered an n8n-based automated workflow to classify emails as benign, suspicious, or phishing, reducing manual triage effort by approximately 50%
- Integrated Gmail and Outlook APIs to extract MIME headers, URLs, and attachments for threat analysis
- Automated IOC enrichment via Python reputation checks against threat intelligence sources
- Built n8n workflow automating email extraction, threat scoring, and alert generation, validated against MITRE ATT&CK T1566

## ACADEMIC ACHIEVEMENTS

### National Mathematics Day - Quiz Competition Winner

Captured 1st Rank in Quiz Competition – National Mathematics Day 2023, awarded by Solapur University.
